Sponsor: Enterprise Connect

Enterprise Connect provides comprehensive support to Australian small and medium sized enterprises (SMEs), to help them become more innovative, efficient and competitive in the areas of manufacturing and innovation. www.enterpriseconnect.gov.au

EMICoL benefits for current and new members

Over the past year EMICoL has developed a number of services for its members which will be extended to current and new members in 2009. Such benefits to be discussed at the forum include:

- steel procurement opportunities and
- a competitive insurance pack from Cambridge Insurance Brokers regarding discounts, extra cover & service standards, part of their premium pack developed for EMICoL.

Education and Training Initiative- LEAPS Careers Program

On training and education, an exciting new initiative, LEAPS Careers Program (Linking Engineering Awareness & Pre Employment Skills in the workplace) has been launched into the schools for 2009 with student interviews undertaken and industry involvement ready to accept students for the program's Coal Cart Challenge.

RSVP

Please **RSVP** by Friday 6 March to Antonella Segre at antsegre@iinet.net.au or call her on 0417 180 938.
