CAPABILITY STATEMENT

Welcome to Kingston Training and Employment, a Registered Training Organisation ('RTO'), proudly award winning and a multi-finalist over many years, and locally owned in Western Australia. Our training colleges are located in South Perth, Malaga, Belmont, Mandurah, Bunbury and Geraldton.

Our organisation has been an RTO involved in training services since 1999 and is committed to the provision of quality vocational education and training as well as industry specific training, supporting industry training and individuals to attain careers.

One of the reasons for our success is our unique collaboration and partnership between industry, specialist support for our students and our passionate, highly qualified staff.

We ensure that the learning experience is totally dedicated to the real needs of industry while ensuring a challenging, rewarding and interesting programme for the participants.

Participants from all over the world attend our programmes, who bring with them a range of learning styles, needs and expectations.

The courses are designed to include a variety of learning strategies to:

- Prepare participants for their role as a member of a specialised working team.
- Focus on the real required practical skills and knowledge to assist the workplace.
